## Expression of Interest for Purchase of *Renewable Energy*

Brihan Mumbai Electric Supply & Transport Undertaking (BEST), a distribution licensee supplying electricity in the Mumbai City, intends to procure power from Renewable Energy Sources to meet their Renewable Purchase Obligation as per MERC's order on Renewable Purchase Specification (RPS) dt. 16.8.2006 and draft regulation 2010 on Renewable Purchase Obligation, its compliance and implementation of REC framework dt.3rd March, 2010.

BEST Undertaking intends to purchase 300 MUs of Renewable Energy from eligible RE sources as approved by MERC/MNRE and invites bids from generators or traders or any utility or association or industry to supply 300 MUs of power generated through Renewable Energy Source for FY 2010-11.

Only State Grid connected RE generation projects based on eligible RE sources such as Wind, Small Hydro, Biomass based power projects based on Rankine Cycle Technology, Non-fossil fuel including bagasse based cogeneration projects, Solar power and Municipal Solid Waste and MNRE approved RE sources within the state of Maharashtra, are eligible to meet the RPS Obligation of the distribution licensees.

**Criteria for bids:** MERC has issued the order dt .31st March, 2010 under case no. 116 of 2009 in which it has ruled that the **existing Tariffs, Tariff** structure and other applicable conditions as per applicable RE Tariff Orders including relevant amendments from time to time shall be extended to existing and new RE projects till such time the new tariffs for FY 2010-11 are determined pursuant to notification of RE Tariff Regulations for new control period.

The Bidders shall quote their rates on per unit basis for Renewable Energy (RE) at the interface of Intra-state Transmission Network. The responsibility of the metering and certified meter reading shall be of the supplier, and would be as per the Regulations of the Commission as applicable. However, the procurer reserves the right to decide the quantum of power to be procured.

BEST reserves the right to reject any application without assigning reason thereof. The minimum details which are required to be furnished and the address at which the bids are to be submitted are available at our website [www.bestundertaking.com](http://www.bestundertaking.com). Interested parties may submit their bids to above mentioned address on or before 1:00 p.m., on dt 24/05/2010. The bids will be opened at 2.30 p.m. on the same date.

*Details of information to be included in the bid for  
purchase of **Renewable Power***

- 1 Name & Address of the Company
- 2 Telephone Nos. Fax, Email, Website
- 3 Type of the RE source of the Project and date of commissioning
- 4 Location of the Project
- 5 Installed Capacity (MW)
- 6 Capacity intending for sale (MW)
- 7 Duration for sale.
- 8 Whether the firm is ready to supply RE on short term basis for one year?
- 9 Whether the firm is already in agreement to sell the RE? If yes, furnish the details of the agreement.
- 10 Date from which supply can be made available
- 11 Point of Injection (Name of Sub-station)
- 12 Voltage level at injection point
- 13 Technical specifications of the plant machinery
- 14 MUs proposed to be sold to BEST
- 15 Bid price and break up if any.
